I. ORGANIZATIONAL REGULATIONS

1. GENERAL CONDITIONS

1.1. Development of Regulations

These Regulations have been developed in accordance with the Regulations on the International Event “BRICS Sports Games”, approved by Sport BRICS (hereinafter referred to as the Regulations on the Sport BRICS Games).

These Regulations constitute a normative document governing relations in connection with the preparation and holding of the BRICS Sports Games.

The Regulations may not contradict the Games Regulations.

1.2. Date and venue of the Games

The main venue for the BRICS Sports Games (hereinafter referred to as the BRICS Games) is 1. the United Arab Emirates, 2. the Republic of Srpska.

The BRICS Games will be held from 20 to 27 June 2026. The opening ceremony of the BRICS Games will be held on 20 June 2026, and the end date of the BRICS Games will be 27 June 2026..

1.3. Games Organizers

1.3.1. The overall management of the organization and holding of the BRICS Games is carried out by BRICS Sport and the BRICS Games Committee (hereinafter referred to as the Organizers).

1.4. Competition Rules

1.4.1. The BRICS Games competitions are held in accordance with the rules of the sports approved by the international sports federations for the relevant sport, as well as the rules of the sport. The associations of clubs of the 5 Federations and the Chief Referee Panels (hereinafter referred to as the CRP) appointed by them are responsible for the application of the rules for the sports established by these Regulations.

1.4.2. All coaches, heads of delegations, officials, specialists, as well as judges and other persons involved in the BRICS Games are obliged to comply with these Regulations, the Regulations of the Games, and other regulatory documents related to the conduct of the competitions.

1.4.3. These Regulations, as well as the appendices thereto, are approved by Sport BRICS, in agreement with the BRICS Games Committee, the Executive Directorate, and the national sports federations for the sports included in the BRICS Games programme, and may be amended and/or supplemented based on the decision of the organisers, the Executive Directorate and at the request of the relevant national sports federation for the sport.

1.4.4. Participants in the BRICS Games are prohibited from exerting any illegal influence on the results of the competition.

1.5. Goals and objectives of the BRICS Games

1.5.1. The games are held for the following purposes:

- development of sports in the world, providing opportunities for athletes to compete, as well as strengthening friendly ties between countries, the desire to take part in the BRICS Games;
- the practical implementation of the Memorandum of Cooperation in the Field of Physical Culture and Sports between the relevant ministries of the BRICS countries, which, among other things, provides for the holding of annual BRICS Sports Games in the BRICS countries, adopted in 2021.

1.5.2. The main objectives of the BRICS Games are:

- promoting and popularizing healthy lifestyle values;
- improving athletic skills and providing athletes with experience in international competitions;
- maintaining the athlete training system and the integrity of sports competitions; - identifying the strongest athletes in each sport.

1.6. Requirements for participants and conditions for their admission

1.6.1. National sports teams from countries participating in the BRICS Games are eligible to participate in the BRICS Games. Athletes, representatives of national federations, or members of clubs affiliated with BRICS Sport participating in the BRICS Games may participate in the competitions.

1.6.2. The BRICS Games are open to teams from all countries that have expressed a desire to participate in the BRICS Games.

1.6.3. Athletes who meet the following criteria are eligible to participate in the BRICS Games:

a) an athlete must be a citizen of the country they represent. Athletes from other countries may participate on one team, but no more than two per team;

b) an athlete must be within the age group established by the rules of the sport included in the BRICS Games program;

c) an athlete must have a medical certificate confirming their fitness to participate in sports competitions, issued in accordance with the requirements of the participating country.

d) an athlete may participate in multiple sports, provided they meet the requirements for the selected sports. Applications for participation in each sport must be submitted in accordance with the established procedure.

e) if a country's national sports team is unavailable for competition, athletes from several clubs that are members of the country's national federation for the sport or an international club association may participate, but the total number of teams must not exceed the maximum quota for delegations per sport per country.

1.6.4. The size of each country's delegation is determined by Section 2 of the Technical Regulations and in accordance with the quota for official delegation members (Head of Delegation, Deputy Head of Delegation, Press Attaché, and other delegation personnel) according to the following scale:

- Up to 100 delegation members – 3 officials;
- From 101 to 200 delegation members – 6 officials;
- From 201 or more – 9 officials.

1.6.5. Members of a national sports team, athletes, representatives of a national federation, or members of a club affiliated with a national federation of countries participating in the BRICS Games and other countries must wear a uniform team dress uniform. Competition sports

uniforms, personal sports equipment, and gear must comply with the requirements established by the rules of the sports included in the BRICS Games program.
1.6.6. Official notification of the dates of arrival and departure of the BRICS Games participants in a sport included in the BRICS Games programme shall be submitted by the participating country to the Organisers no later than one (1) month before the start of the competition.
1.6.7. Detailed information on the arrival and departure of participants in the BRICS Games in a sport included in the BRICS Games program shall be submitted by the participating country to the Organizer no later than fifteen (15) days before the start of the competition.
1.6.8. Participation fees for the upcoming BRICS Games are due. Your registration will be confirmed upon receipt of payment.

Participation fees:
Individual performance**: €200 per athlete**.
Group performance**: €90 per athlete**.
Please carefully review the payment deadlines and procedures. Detailed information on payment methods is available on the official BRICS Games website or by contacting the Organizing Committee.

Questions can be sent by email.
sportbrics@gmail.com

1.7. Intellectual Property
1.7.1. Intellectual property includes all rights, patents, registered and unregistered trademarks, registered industrial designs, trade secrets and know-how, and all other intellectual property as defined in Article 2 of the Convention Establishing the World Intellectual Property Organization (July 1967).

1.7.2. The following intellectual property objects and their derivatives belong to the Executive Directorate: the Emblem, the Logo, the Mascot, the Name of the BRICS Games (hereinafter referred to as the BRICS Games Symbols), marketing rights, and other rights to the BRICS Games Sports.

1.8. Designations
1.8.1. The name of the BRICS Games may not be changed in any way, and its use for advertising or commercial purposes requires permission from the BRICS Games Committee.
1.8.2. The name of the BRICS Games is approved by the Regulations. It must be used uniformly (in printed or other form) for all events within the BRICS Games. The name of the BRICS Games must be in English.
1.8.3. All official publications and promotional materials, as well as all venues (including, but not limited to, start numbers, information boards, advertising boards at all stadiums and sports venues, flags and advertising boards around sports venues and podiums) may feature the BRICS Games Symbols.

1.7. Advertising

All advertising materials displayed during the BRICS Games, during official ceremonies (opening and award ceremonies), at competition venues, and at accommodations must be

approved by the Executive Directorate. During the BRICS Games, teams and athletes may have their own sponsor (partner) and use its logo on their sports equipment. However, such sponsors (partners) cannot have a history of making statements that degrade human dignity based on gender, race, nationality, language, origin, or religious affiliation. Furthermore, the Executive Directorate voluntarily prohibits cooperation with companies operating in the following industries::

- Tobacco and tobacco products;
- Weapons;
- Alcohol;
- Adult products;
- Prescription drugs;
- Politics and political parties;
- Lobbying.

1. The Executive Directorate may recognize one key sponsor (partner) of the federation if this sponsor (partner) does not conflict in category with the sponsors (partners) of the BRICS Games and makes a significant contribution to the holding of the BRICS Games.

2. SPORTS PROGRAM

2.1. Sports

The BRICS Games are held in sports at sports venues and territories (venues) specially prepared for hosting official sports competitions, and at the times specified in Table 1.

Table №1 indicated for each country

№	Sport	Dates of the event	Participants	Object
1	**Rhythmic gymnastics**		**300**	
2	**Diving**		**100**	
3	**Synchronized swimming**		**100**	
4	**Aerial Gymnastics**		**23**	
5	**Badminton**		**20**	
6	**Jeet kundo**		**50**	
7	**Sambo**		**20**	
8	**Judo**		**20**	
9	**Wrestling**		**20**	
10	**Taekwondo**		**50**	
11	**Hapkido**		**50**	
12	**Rafting**		**50**	
13	**Beach Sprint Rowing**		**20**	
14	**Koyaking**		**50**	
15	**Canoe slalom**		**20**	
16	**Academic rowing**		**20**	
17	**Jang Sanati**		**50**	
18	**Orienteering**		**40**	
19	**Sports tourism**		**40**	

The competition days for each sport include arrival and departure dates. Subject to agreement with the Organizers, competitions in certain sports, including the final competitions, may begin before the BRICS Games Opening Ceremony. Award ceremonies cannot be held before the Opening Ceremony. The technical regulations for each sport are provided in Section II of this document.

2.2. Timing

2.2.1. Sport competitions will be held on the dates specified in the sports program. The arrival and departure dates for participants and team representatives correspond to the sport competition schedule (sports program). The arrival date for delegation officials (Head of Delegation, Deputy Head of Delegation, Press Attaché, and other delegation personnel) is July 20, 2026, and the departure date is July 28, 2026.

2.2.2. Teams that wish to depart from Abu Dhabi later than the schedule established for the relevant sport, in addition to the costs of accommodation and meals, will bear the costs of local transportation and other expenses associated with their stay in Abu Dhabi, except in cases considered and agreed upon with the Organizing Committee and the Executive Directorate.

2.2.3. The Executive Directorate provides access to the facility one day before the start of training/competition activities to prepare the facility for the Games. Access to the facility is also provided for one day after the completion of the competition period, in order to return the facility to the Executive Directorate.

2.3. Judges and referees

2.3.1. Rhythmic gymnastics

a) National sports judges are appointed by the Organizers of Rhythmic Gymnastics. Travel expenses for national sports judges are covered by the teams. The Organizer shall pay for the work of national sports judges;

b) Countries participating in rhythmic gymnastics competitions must organize, at their own expense, the travel of one (1) international category sports judge in rhythmic gymnastics as part of their delegation. Accommodation and three meals a day for sports judges as part of delegations are provided by the team, club, national federation, or national ministry of sport. If a country is unable to bring a sports judge of the appropriate category as part of its team, the Organizer has the right to substitute the sports judge from among the sports judges;

2.3.2. Diving

a) National sports judges are appointed by the Organizer. Travel expenses for national sports judges are covered by the Organizer. The Organizer will pay for the work of national sports judges.

b) Countries participating in the diving competitions must organize, at their own expense, the travel of one (1) international category sports judge in the sport of diving as part of their delegation. Accommodation and three meals a day for the sports judges in the delegations are provided by the team, club, national federation, or national ministry of sport. If a country is unable to bring a sports judge of the appropriate category as part of its team, the Organizer has the right to substitute one of the sports judges.

2.3.3. Synchronized swimming

a) National sports judges are appointed by the synchronized swimming organizer. Travel expenses for national sports judges are covered by the team, club, national federation, or

national ministry of sport. Payment for the work of national sports judges is made by the Organizer.
b) Countries participating in synchronized swimming competitions must organize, at their own expense, the travel of two (2) international-category sports judges for synchronized swimming as part of their delegation. Accommodation and three meals a day for the sports judges as part of the delegations are provided by the ministry of sport or federation. If a country is unable to bring a sports judge of the appropriate category as part of its team, the Organizer has the right to substitute a sports judge from among the sports judges.

2.3.4. Aerial Sport Gymnastics

a) National sports judges are appointed by the Organizers of Aerial Powerlifting. Expenses related to the travel of national sports judges are covered by the teams. The Organizer shall pay for the work of national sports judges;

b) Countries participating in the Aerial Powerlifting competitions must organize, at their own expense, the travel of two or three (2-3) international category sports judges in the sport of "Aerial Gymnastics" as part of their delegations. Accommodation and three meals a day for the sports judges as part of the delegations shall be provided by the team, club, national federation, and the Ministry of Sport. If a country is unable to bring a sports judge of the appropriate category as part of its team, the Organizer has the right to replace the sports judge from among the sports judges;

2.3.5. Jeet kundo

a) National referees are appointed by the Jeet kundo Federation. Travel expenses for national referees are borne by the team or federation.
b) Countries participating in Jeet kundo competitions must organize, at their own expense, the travel of one (1) international Jeet kundo referee as part of their delegation. Accommodation and three meals a day for referees as part of delegations are provided by the Ministry of Sport or the federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer has the right to substitute one referee from among the referees.

2.3.6. Badminton

a) National referees are appointed by the National Badminton Federation. Travel expenses for national referees are covered by the Federation.
b) Countries participating in badminton competitions must arrange, at their own expense, for the travel of two (2) international referees in badminton as part of their delegation. Accommodation and three meals a day for referees in the delegations are provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer has the right to substitute a referee from among the referees.

2.3.7. Judo

a) National sports referees are appointed by the Judo Federation. Travel expenses for national sports referees are covered by the Federation.
b) Countries participating in judo competitions must organize, at their own expense, the travel of one (1) international-category sports referee in judo as part of their delegation. Accommodation and three meals a day for the sports referees as part of the delegation are provided by the Ministry of Sport or the Federation. If a country is unable to bring a sports referee of the

appropriate category as part of its team, the Organizer has the right to substitute one of the sports referees.

2.3.8. Sambo

a) National sports referees are appointed by the All-Russian Sambo Federation. Travel expenses for national sports referees are covered by the Federation.

b) Countries participating in Sambo competitions must organize, at their own expense, the travel of one (1) international-category sports referee in the sport of Sambo as part of their delegation. Accommodation and three meals a day for the referees as part of the delegation are provided by the Ministry of Sport or the Federation. If a country is unable to bring a sports referee of the appropriate category as part of its team, the Organizer has the right to substitute a sports referee from among the sports referees.

2.3.9. Wrestling

a) National referees are appointed by the Russian Wrestling Federation. Travel expenses for national referees are covered by the Federation.

b) Countries participating in wrestling competitions must organize, at their own expense, the travel of one (1) international category referee for the sport of wrestling as part of their delegation. Accommodation and three meals a day for referees as part of delegations are provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer has the right to substitute a referee from among the referees.

2.3.10. Taekwondo

a) National sports judges are appointed by the Taekwondo Federation. Travel expenses for national sports judges are covered by the Federation.

b) Countries participating in Taekwondo competitions must organize, at their own expense, the travel of three (3) internationally recognized sports judges in the sport of Taekwondo as part of their delegations. Accommodation and three meals a day for the sports judges as part of the delegations are provided by the Ministry of Sport or the Federation. If a country is unable to bring a sports judge of the appropriate category as part of its team, the Organizer has the right to substitute a sports judge from among the sports judges.

2.3.11. Hapkido

a) National sports judges are appointed by the Hapkido Federation. Travel expenses for national sports judges are covered by the Federation.

b) Countries participating in Hapkido competitions must organize, at their own expense, the travel of three (3) international-category sports judges in Hapkido as part of their delegations. Accommodation and three meals a day for the sports judges as part of the delegations are provided by the Ministry of Sport or the Federation. If a country is unable to bring a sports judge of the appropriate category as part of its team, the Organizer has the right to substitute a sports judge from among the sports judges.

2.3.12. Beach Sprint Rowing

a) National referees are appointed by the Beach Sprint Rowing Federation. Travel expenses for national referees are covered by the Federation.

b) Countries participating in the Beach Sprint Rowing competitions must organize, at their own expense, the travel of three (3) international referees for Beach Sprint Rowing as part of their delegation. Accommodation and three meals a day for the referees as part of the delegation are provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer has the right to substitute a referee from among the referees.

2.3.13. Koyaking

a) National referees are appointed by the Koyaking Federation. Travel expenses for national referees are covered by the Federation.
b) Countries participating in Koyaking competitions must organize, at their own expense, the travel of three (3) international referees in the sport of Koyaking as part of their delegation. Accommodation and three meals a day for referees in delegations are provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer has the right to substitute a referee from among the referees.

2.3.14. Rafting

a) National referees are appointed by the Rafting Federation. Travel expenses for national referees are covered by the Federation.
b) Countries participating in the Rafting competitions must organize, at their own expense, the travel of three (3) international referees for the sport of Rafting as part of their delegation. Accommodation and three meals a day for the referees as part of the delegations
will be provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer has the right to substitute a referee from among the referees.

2.3.15. Academic rowing

a) National referees are appointed by the Academic Rowing Federation. Travel costs for national referees are covered by the Federation.
b) Countries participating in Academic Rowing competitions must organize travel at their own expense for three (3) international Academic Rowing referees as part of their delegation. Accommodation and three meals a day for the referees in the delegations
will be provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer reserves the right to substitute one from among the available referees.

2.3.16. Jang Sanati

a) National referees are appointed by the Academic Rowing Federation. Travel costs for national referees are covered by the Federation.
b) Countries participating in Academic Rowing competitions must organize travel at their own expense for three (3) international Academic Rowing referees as part of their delegation. Accommodation and three meals a day for the referees in the delegations

will be provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer reserves the right to substitute one from among the available referees.

2.3.17. Orienteering

a) National referees are appointed by the Orienteering Federation. Travel costs for national referees are covered by the Federation.

b) Countries participating in Orienteering competitions must organize travel at their own expense for three (3) international Orienteering referees as part of their delegation. Accommodation and three meals a day for the referees in the delegations
will be provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer reserves the right to substitute one from among the available referees.

2.3.18. Sports tourism

a) National referees are appointed by the Sports tourism Federation. Travel costs for national referees are covered by the Federation.

b) Countries participating in Sports tourism competitions must organize travel at their own expense for three (3) international Sports tourism referees as part of their delegation. Accommodation and three meals a day for the referees in the delegations
will be provided by the Ministry of Sport or the Federation. If a country is unable to bring a referee of the appropriate category as part of its team, the Organizer reserves the right to substitute one from among the available referees.

3. RIGHTS AND RESPONSIBILITIES OF COMPETING COUNTRIES

3.1. Invitations

3.1.1. Invitations to participate in the BRICS Games must be sent by the Organizer at least five (5) months before their start.

3.1.2. Invitations to countries to participate in the BRICS Games must be addressed to the state authorities in the field of physical culture and sports of the participating countries.

3.1.3. Confirmation of the intention to participate in the BRICS Games must be sent by the state authorities in the field of physical culture and sports of the participating countries to the Organizer no later than four (4) months before the start of the Games, indicating the contact person of the delegation.

3.1.4. Foreign participants, officials, guests, volunteers, and media representatives successfully accredited for the BRICS Games will be granted priority, single-entry humanitarian visas under a simplified procedure.

3.2. Transport

3.2.1. Travel expenses for members of participating delegations from their country of residence to the competition venue and back are borne by the sending party, except in cases agreed upon by the relevant Federation.

3.2.2. Upon arrival at the competition venue and upon departure, members of the participating delegations are provided with a meeting and seeing-off service by the Executive Directorate.

3.2.3. Local transportation during the official dates of the BRICS Games will be provided to members of the participating delegations by the Executive Directorate.

3.3. Applications

3.3.1. Registration of all members of the participating delegations (athletes, officials, judges, doctors, physiotherapists, sport coaches and other delegation members) is mandatory and is carried out online (via a single automated accreditation information system).

3.3.2. Issuance of accreditation badges to members of participating delegations is possible after successful registration in the system (filling out an individual questionnaire for each participating member of the delegation and approval by the Executive Directorate).

3.3.3. Registration of all members of the participating delegations is carried out centrally by one responsible person (an authorized person appointed by a representative of the relevant government body in the field of physical culture and sports of a country participating in the BRICS Games, the head of a national federation or club that is a member of the national federation of the countries participating in the BRICS Games and other states.

3.3.4. Registration is carried out within the timeframes regulated by the Executive Directorate.

3.3.5. The Executive Directorate shall inform the responsible persons of the delegations in advance of the start of the registration process, but no later than two (2) months before the start of the BRICS Games.

3.3.6. Applications received after the required deadline will not be considered, except in cases arising from force majeure. Such applications may be accepted for consideration with the consent of the Organizer and upon recommendation of the Executive Directorate.

3.3.7. By participating in or otherwise appearing at any of the BRICS Games events, each athlete, official and/or functionary grants the Organizer and/or the Executive Directorate the right, in perpetuity and free of charge, to publish and subsequently use their images in full or in part: to reproduce, distribute by sale or other alienation of the original images or copies thereof, to publicly display, import the originals or copies of images for the purpose of distribution, to provide the originals or copies of images to third parties, to communicate on air and by cable, in other media, to process, to bring to the public’s attention.

3.4. Application deadlines

3.4.1. Confirmation of intent to participate. An application to appoint a person responsible for the delegation, including contact information for further communication regarding registration and other matters related to the delegation's stay. The application must be submitted to the BRICS Games Executive Directorate no later than two (2) months prior to the BRICS Games Opening Ceremony.

3.4.2. Quantitative Applications. Applications specifying the number of officials and competitors for each sport/discipline. Registration is carried out in accordance with the quotas established by each sport. The deadline for completing quantitative applications is no later than two (2) months before the start of the BRICS Games.

3.4.3. Personal (individual) applications. Applications containing the participant's personal information and photograph, as well as accommodation requests. The deadline for completing individual applications in the accreditation system is no later than one (1) month prior to the start of the BRICS Games.

3.4.4. Information on arrival and departure dates and detailed information on arrival and departure flights of competition participants shall be registered by participating countries in the system no later than fifteen (15) days before the start of the BRICS Games.

3.5. Information from the Executive Directorate

The Executive Directorate must formulate and send to the invited countries participating in the BRICS Games, the National Sports Ministries:

3.5.1. no later than five (5) months prior to the Opening Ceremony of the BRICS Games – a guide for Heads of Delegation (including quantitative and individual application forms);

3.5.2. no later than five (5) months before the Opening Ceremony of the BRICS Games – the program of events and competitions and their preliminary schedule, no later than one (1) month – the program of events and competitions and their final schedule;

3.5.3. no later than three (3) months prior to the Opening Ceremony of the BRICS Games – the type and brand of the selected sports equipment for each sport;

3.5.4. during the BRICS Games – all information (daily) necessary to ensure the unimpeded participation of athletes and officials in the sporting and other events included in the program;

3.5.5. on the last day of the competition or the next day – all results of the BRICS Games competitions;

3.5.6. within three (3) months after the BRICS Games – an official book describing the conduct and organization of the Games events, with color photographs and the names of the first eight athletes or teams in each sport;

3.5.7. within three (3) months after the BRICS Games – the official film about the BRICS Games.

3.6. Accreditation badges

3.6.1. A BRICS Games participant accreditation badge is an official document identifying the holder and their functions, which provides access to the participating delegation to the BRICS Games event venues. Personalized accreditation badges (with a photo) are issued to each participant whose application has been approved by the Executive Directorate. Athletes are issued accreditation badges to the delegation's designated manager upon presentation of original identification documents accepted in the respective country. Accreditation badges are issued at the accreditation center (assigned to the client group).

3.6.2. Each accredited member of the participating delegation must carry a personalized accreditation badge. This badge must be presented in all areas of the venue that require accreditation. Athletes starting in any individual or team sport must be prepared to present their accreditation badges to a third party official. Accreditation badges are personalized and non-transferable. Unauthorized use of an accreditation badge will result in its confiscation and termination.

3.7. Insurance

3.7.1. The Organizer and the Executive Directorate shall not be liable for any claims in connection with the destruction (loss) or other damage to personal property, or harm to health, arising as a result of the BRICS Games.

3.7.2. Members of the participating delegation must have life and health insurance policies, as well as accident insurance, which are issued for each member of the delegation.

3.7.3. The participating countries of the BRICS Games bear independent financial responsibility for covering the costs of insurance for their delegations.

3.8. Coaches and heads of delegations

3.8.1. Each organization participating in the competition shall indicate in its application its representative, who shall be the Head of Delegation, who shall have the exclusive right to

represent his country, unless otherwise stipulated by the rules, in negotiations with the Executive Directorate.
3.8.2. The coach and head of delegation have the right to:
- assist their team members during the warm-up;
- be present in the designated area during their athletes' performances;
- file a protest with the BRICS Games Chief Referee Panel for the relevant sport;
- receive referee documentation at the conclusion of the awards ceremony.
3.8.3. Coaches and heads of delegations are obligated to:

- know and strictly adhere to the Regulations and rules for the relevant sports included in the BRICS Games program;
- attend technical meetings for the sports;
- be responsible for the proper conduct of their delegation members during competitions;
- unconditionally comply with all orders and instructions of the Organizers and competition judges that do not conflict with the Regulations and rules for the sports;
- show respect and courtesy toward coaches, heads of delegations, athletes, fans of other teams, competition personnel, and judges;
- refrain from engaging in arguments with the judges.
3.8.4. Coaches and heads of delegations are prohibited from:
- criticizing coaches, heads of delegations, athletes, or spectators of other teams and referees with words or gestures;
- using rude or offensive language;
- encouraging unsportsmanlike behavior.
3.8.5. A coach or head of delegation may be disqualified from participating in a competition by the head judge in the event of inappropriate behavior or unauthorized interference in the work of the judging panel. In such cases, the team may appoint another representative from among the coaches present at the competition and listed on the application for the competition.

3.9. Athletes as part of delegations
3.9.1. All participants in the competition are required to:
- Know and strictly adhere to the Regulations and Rules for the relevant sports included in the BRICS Games program;
- Know the competition program and be present at the competition;
- Observe the norms of conduct, morality, and ethics both inside and outside the competition venues;
- Comply with safety requirements while participating in official events and while at the sports venues;

- Be disciplined, correct, and polite toward other participants, judges, coaches, representatives, support personnel, and spectators;
- Unconditionally comply with all orders and instructions of the judges directly related to the competition procedure;
- During the competition, refrain from deliberate actions aimed at hindering opponents or gaining an advantage;
- Not use doping substances and/or methods;
- Not argue with the judges or demonstrate dissatisfaction with their decisions;
- Wear the sports uniform established by the Rules for the relevant sports; - attend the opening and awards ceremonies.

3.9.2. Athletes in delegations have the right to:
- be evaluated fairly, honestly, and in accordance with the rules of their respective sports;
- receive full results reflecting all scores received during competitions through their team representative;
- appeal to the BRICS Games Ground Jury for their respective sports through their team representative or coach.
3.9.3. The entire delegation of the participating country must wear a dress uniform.

3.10. Referees and judges as part of delegations

3.10.1. The number and qualifications of sports judges and referees in the delegations shall be established in accordance with paragraph 2.3 of these Regulations, as well as the rules of the relevant sport.
3.10.2. No later than two (2) months prior to the start of the BRICS Games, countries must submit to the Executive Directorate the name(s) and category of referees and judges attending the competitions in the relevant sports as part of the delegation (determined by the sport). If the names have not been received by this time, the Executive Directorate reserves the right to replace the referee(s) on the team with a referee by contacting the relevant sport authority.
3.10.3. The terms "referee" and "judges" include other positions of sports officials specified in the rules of the relevant sport.
3.10.4. Travel expenses to and from the competition venue for judges and referees as part of delegations of foreign teams are borne by the sending party.
3.10.5. By agreement with the Russian federations, a participating country may bring judges in excess of the established quota as part of its delegation, provided that the number of judges per sport does not exceed the total approved number of judges.

3.11. Media representatives as part of delegations

3.11.1. Participating countries are encouraged to nominate one (1) media representative. A press attaché (no more than one (1) per participating country) is included in the delegation.

4. RIGHTS AND RESPONSIBILITIES OF ORGANIZERS AND EXECUTORS

4.1. General organization of the BRICS Games

4.1.1. The Organiser, the Executive Directorate and the Federations shall not be liable for any loss, injury or damage arising during the BRICS Games, unless they are at fault.
4.1.2. The official representative for organizing and monitoring the progress of the BRICS Games is the Executive Directorate.
4.1.3. The Executive Directorate is responsible for the following:
a) overseeing the holding of the BRICS Games and ensuring their progress;
b) resolving all disputes not related to the sporting rules of the sports;
c) reviewing and resolving all complaints and protests of an unsportsmanlike nature;
d) taking appropriate measures against teams and individuals violating the BRICS Games Regulations;
d) making decisions on any other issues not regulated by these Regulations.
4.1.4. The Executive Directorate has the right, if necessary, to hold meetings with representatives of the Main Referee Panel for the sport and the Heads of Delegations.

4.1.5. The procedure for considering a protest is regulated by the rules of the sport.
4.1.6. All decisions of the Executive Directorate are final.
4.1.7. The Executive Directorate and the State Judicial Committee are authorized to monitor compliance with the following participation conditions:
a) the authenticity of national applications;
b) the citizenship and age of competition participants.
4.1.8. The organizers may decide to refuse accreditation to participants in the BRICS Games.
4.1.9. Any person who has been denied an accreditation badge for participation in the BRICS Games shall be ineligible to participate in the BRICS Games.
4.1.10. If delegation officials deliberately provide the Executive Directorate with false information regarding the compliance of any participant in the competition with the requirements of the Regulations, the sports team of which the participant was a member will be disqualified and will not be able to take part in the BRICS Games.
4.1.11. The organizers are financing the preparation for the BRICS Games, including supporting the activities of the Executive Directorate, according to the consolidated budget. By area of expenditure, according to
4.1.12. The Executive Directorate covers the costs of accommodation and meals for participating countries depending on the sports represented, taking into account the official dates of the competitions. Federations have the right to cover these costs from their own funds.
4.1.13. The official languages of the BRICS Games are English. All signage and indications at competition venues, as well as official documents, will be available in English, including the final official protocols. Written and oral translation, including simultaneous interpretation, will be provided for official BRICS Games events.
4.1.14The Executive Directorate is responsible for the organizational and technical conduct of the BRICS Games and takes all necessary measures, subject to agreement with the Organizer. It ensures the following processes in accordance with the terms of these Regulations, within the limits of available resources:
• Hiring temporary staff;
• Providing equipment to client groups;
• Implementing a volunteer program;
• Accreditation of participants;
• logistics;
• provision of office supplies and goods;
• equipment of facilities, including furniture;
• medical support;
• anti-doping support;
• protocol support;
• Organization of sports programs by sport;
• Development of the BRICS Games corporate identity and symbols;
• Promotional campaign for the BRICS Games;
• Implementation of advertising, information, and communications campaigns;
• Organization of events to summarize the BRICS Games results;
• Design of venues and the city (BRICS Games image);
• Provision of souvenirs and printed materials;
• Organization of photo and video filming of events;
• Organization of television and online broadcasts;
• Organization of the work of media representatives;
• Insurance of sports equipment;

• Property insurance;
• preparation of venues (including temporary infrastructure);
• information technology support and information communication technologies;
• organization and holding of sports presentations, the cultural program, and the opening ceremony of the BRICS Games;
• implementation of the ticketing program;
• implementation of the spectator program;
• ensuring security;
• facility management;
• compliance with sanitary and anti-epidemic requirements;
• organization of transportation services, including arranging arrivals and departures;
• transportation services for accredited persons;
• provision of meals and water for accredited persons;
• accommodation for accredited persons;
• language services;
• organization of visits of heads of delegations;
• organization of a marketing and partnership program.

4.1.15. Ensures that all teams participating in the BRICS Games are fully informed of all necessary technical and other events, with application forms provided in a timely manner that allows for their completion and timely return.

4.1.16. Takes all necessary security measures, including the provision of the necessary technical equipment, the equipment of control zones, the involvement of public order services, the provision of comprehensive assistance in interaction with territorial divisions of federal executive bodies responsible for security, law and order, controllers-managers, private security companies and other persons involved in ensuring security during all events related to the BRICS Games.

4.1.17. Provides civil liability insurance, property insurance, and life and health insurance for volunteers during the BRICS Games.

4.1.18. Receives guarantees from national sports federations whose sports are included in the BRICS Games programme that they will provide all necessary support for holding sports competitions.

4.1.19. Ensures compliance with the rules of international sports federations, as well as national and local legislation regarding safety at all sports facilities.

4.1.20. Provides competitions with referees and judges appointed and/or agreed upon by the Federation for the sport, in accordance with the rules for the sport.

4.1.21. Federations may bear the costs associated with the organization and holding of the BRICS Games.

4.2. Interaction with the BRICS Games Committee

The Executive Directorate shall appoint a representative who will interact with Sport BRICS during the preparation and holding of the BRICS Games.

4.3. Obligations of the Executive Directorate to the participants and officials of the BRICS Games

4.3.1. Ensures the fulfillment of the following obligations in relation to accredited participants and officials of the BRICS Games during the period from 20 to 27 July 2026 (with the exception

of representatives of the State Judicial Committee for sports, obligations to whom are fulfilled from 21 to 27 June 2026 in connection with the rules of the State Judicial Committee).

a) Accommodation and meals for accredited BRICS Games participants (including team judges) at official venues shall be provided under the following conditions:

- accommodation and meals shall be provided only on the official dates of competitions in the relevant sports (meals shall be provided from the moment of arrival of participants until the time of departure); delegation officials (Head of Delegation, Deputy Head of Delegation, Press Attaché, and other delegation personnel), in accordance with the quota specified in paragraph 1.6.4., shall be provided with meals and accommodation in the Universiade Village for all days during which the members of the delegation of the participating country's team are present;
- official accommodation and meal locations will be established by the Executive Directorate in consultation with the Organizer; Heads of Delegations may be provided with single/double accommodation, team officials may be provided with double/triple accommodation, and athletes will be provided with triple/quadruple accommodation. If team officials, including the Head of Delegation, are staying at the Hotel, the costs of accommodation and meals will be borne by the sending organizations;
- Delegations will be responsible for accommodation and meals outside the BRICS Games period (before and after the official date of competitions in the relevant sports). Cases of forced early arrival and/or late departure due to reasons beyond the control of the delegation will be considered by the Organizer for possible coverage of expenses;
- Delegations will be responsible for accommodation and meals for delegation members arriving in excess of the established quotas;
- the rate for accommodation and meals outside the official dates of the BRICS Games, as well as for delegation members in excess of established quotas, is established by the Executive Directorate in agreement with the Organizer.

b) Provides the necessary transportation between the airport in Abu Dhabi, Republika Srpska and the official places of residence, as well as between the official places of residence and the venues of the BRICS Games competitions.

c) Provides access to the necessary sports and other BRICS Games facilities, materials and equipment that are officially recognized by the sports federation and are necessary for the proper conduct of the BRICS Games competitions and training of the sports teams of the countries participating in the BRICS Games.

d) Ensures the functioning of the accreditation system, the registration process of participants and communication with the designated authorized persons from delegations.

e) Ensures the functioning of the system for collecting and registering sports applications for participation. e) Ensures the preparation of sports facilities, as well as territories (venues) specially prepared for hosting official sports competitions, for the BRICS Games in accordance with the technical requirements of the sports federations.

f) Provides the necessary services to national and international referees, judges and other persons (specialists, technicians, etc.) required for the proper conduct of competitions in accordance with the rules of sports federations.

g) Ensures that the BRICS Games participants are properly informed about the program and results of the BRICS Games competitions, including the functioning of a specialized website and information panels on the Internet.

h) Ensures the functioning and content of the BRICS Games mobile application.

i) Provides adequate free medical care to representatives of delegations, participants and all accredited persons of the BRICS Games.

j) Organizes daily meetings of the Heads in accordance with the schedule established by the Organizer.
k) Ensures that doping control is carried out for delegations
l) Provides media representatives, athletes and judges with souvenirs featuring the BRICS Games symbols in order to maintain a high level of motivation.
4.3.2. The executive directorate has the right to:
a) receive all income from the sale of entrance tickets, marketing and affiliate programs, badges, souvenirs, as well as income received as a result of concluding other contracts;
b) charge countries participating in the BRICS Games, representatives of the Media and Television Broadcasting, and other client groups a fee for the organization of additional services upon request.
4.3.3. Expenses related to the travel of national sports referees (travel, accommodation, meals, and remuneration) are covered by the federation, subject to the provisions of these Regulations, in accordance with the competition schedule for each sport (sports program). Laundry services are provided for national referees and referees on foreign participating teams staying in the official accommodation facilities for the Games' referees, at the Federation's expense. The arrival date for members of the main panel of referees for each sport is two (2) days prior to the start of the event. If additional referees from the panel of referees are required to participate in the preparatory stage of the competition, their arrival is also permitted two (2) days prior to the start of the event, based on letters from the sport federations. Should the sport federation decide to pay referees additional salaries in excess of the approved standard, the costs of such additional payments shall be borne by the federation itself. If the airline's airfare does not include free transportation of oversized sports equipment necessary for the judges' work, the Organizing Committee will reimburse the judges' additional expenses for transporting the above-mentioned baggage upon presentation of a document (receipt) indicating the name of the baggage being carried.
4.3.4. The host country bears the costs of travel from their city of residence to the competition venue and back, as well as accommodation (single or double occupancy) for the sport competition directors. Competition directors must arrive at the competition venue two (2) days prior to the arrival of the sport participants, as specified in the sports program. The departure date for out-of-town competition directors is the day following the conclusion of the sport competition.

4.4. Materials, equipment, inventory and services

The Executive Directorate provides:
a) accreditation badges for client groups successfully registered in the system;
b) the necessary equipment for the registration and accreditation of participants and processing of results;
c) awards and protocol merchandise for participants;
d) sufficient seating at the BRICS Games sports venues during competitions for participants and officials in other BRICS Games sports;
e) protocol support and event logistics;
f) premises with the necessary personnel to organize the Organizer's work and hold meetings;
g) awards and protocol merchandise for participants;

h) sufficient seating at the BRICS Games sports venues during competitions for participants and officials in other BRICS Games sports;
i) protocol support and event logistics;
j) premises with the necessary personnel to organize the Organizer's work and hold meetings;
- Provision of high-speed wireless internet connection covering the athletes' areas, press center, federation secretariat, refereeing area, sports presentation area, information desk, media stand, mixed zone, photo ops, meeting room, VIP areas, and athletes' accommodations;
- Communication channels of at least 100 Mbps for wireless access and at least 200 Mbps for wired internet access throughout the venue;
- Wired internet access channels of at least 300 Mbps to ensure online broadcasting of competitions;
- 220 V electrical outlets at each workstation;
- Use only waterproof outlets and extension cords on the sports ground;
- Sufficient computer and multimedia office equipment at all workstations and specialized areas; additional lighting and sound equipment if insufficient on-site; a spare equipment reserve and a sufficient supply of consumables; at least one additional set of cartridges for each printer or MFP;
- To ensure prompt interaction between the Organizer's representatives and the services involved in the event (National Guard, Ministry of Health, etc.), as well as to support the work of the judges, a dedicated professional radio communications network must be established. Personnel working on the sports ground and in the VIP area must be provided with concealed headsets.
- obtaining permits for the use of radio frequencies for radio-electronic equipment (REE), used simultaneously during the event, in accordance with the Law "On Communications";
- with access to sports facilities for installation work, formalizing legal relations in advance of the start of sporting events (competitions or training) at the facility, but no less than one (1) calendar week;
- if necessary, providing delegations and judges with mobile communications - SIM cards with Internet access; office supplies and goods necessary for organizing the work process;
k) the necessary sports equipment and inventory in accordance with the technical specifications provided by sports federations;
l) equipment for simultaneous translation. Costs associated with logistics, provision of sports equipment, and inventory for the sport may be covered by the Organizer upon agreement between the parties.

4.5. Medical assistance

4.5.1. The Executive Directorate organizes medical care for all accredited persons.
4.5.2. The Executive Directorate organizes medical support at sports facilities involved in the BRICS Games events during the competition period and during official training.

4.6. Nutrition

4.6.1. The costs of organizing meals for participants on the official dates of the BRICS Games, taking into account the provisions of these Regulations, shall be borne by the Executive Directorate.
4.6.2. Meals include:
- Providing three meals a day for participants, judges, and special guests;

- Providing coffee breaks at competition and training facilities for judges, media representatives, special guests, and the organizing committee;
- Providing bottled drinking water to accredited client groups (at a rate of 1.5 liters per person per day);
- Providing meals for press tour participants;
- Providing meals for volunteers.

4.7. Ensuring security

4.7.1. The safety of participants and spectators is ensured in accordance with the requirements of the Rules for Ensuring Safety during Official Sports Competitions, approved by the resolution, as well as in areas (venues) specially prepared for holding official sports competitions.

4.8. Spectator and ticket program

4.8.1. The executive directorate must ensure the availability of navigation in the spectator areas of competition venues, as well as a service for managing flows and informing spectators with the help of volunteers;

4.8.2 The Executive Directorate must provide the following services for spectators at competition venues: storage lockers, an information desk and a lost property office, assistance for spectators with limited mobility, and storage for strollers.

4.8.3The spectator program for the BRICS Games will be possible if the sanitary and epidemiological situation in Abu Dhabi, Republika Srpska, and Turkey due to the spread of COVID-19 allows for the event to be held with spectators. Otherwise, paragraphs 5.9.1 and 5.9.2 cannot be implemented.

4.9.4. The Executive Directorate has the right to make decisions on the implementation of the ticketing program at the BRICS Games.

4.9. Digital products

4.9.1. The Executive Directorate is developing a website – the official online presence of the BRICS Games. The website will provide general information about the event, the competition calendar, descriptions of the venues, services for media representatives, the schedule and results, a news feed, and other useful information.

4.9.2. A mobile app is being launched specifically for delegation members to ensure they stay informed during the preparation and running of the competition. The app will allow participants to receive all necessary information about the services provided, view the current schedule, follow news, communicate with other participants, receive prompt notifications about schedule changes, receive answers to questions via a feedback form, participate in surveys, and much more.

4.9.3. To keep BRICS Games client groups informed, information panels are being developed for installation at the BRICS Games venues. These panels will display all necessary information: schedules and results, venue maps, cultural programs, shuttle schedules, notifications about changes, navigation directions, and much more.

4.10. Information promotion

4.10.1 The Executive Directorate ensures the information promotion of the BRICS Games in order to improve the overall image of the BRICS Games by popularizing sports, promoting the strengthening of friendship between the countries participating in the BRICS Games, promoting the host country and region as a reliable partner and organizer of sports competitions in the information space of national federations/clubs participating in the competitions in the sport, in

particular by ensuring the widest possible coverage through television, print media, social networks, and other media.

4.10.2 To promote international media coverage of the event, the Executive Directorate is organizing a press tour for foreign and national media representatives and bloggers. The press tour includes journalists from leading international media outlets. The Executive Directorate provides this group with a full range of services available to them.

4.10.3 To promote the BRICS Games and ensure comprehensive informational promotion of the Games, the Executive Directorate is organizing the "BRICS Games Ambassadors" program, which carries out informational and educational activities by engaging renowned sports figures and cultural and artistic professionals as Ambassadors of the Games. The Executive Directorate provides this category with a full range of services available to distinguished guests of the Games and also organizes and pays for:

• Flights along the route are covered by the federations themselves: Abu Dhabi, Republic of Serbia, Turkey;

• Hotel accommodation (the hotel is determined by the Executive Directorate);

• Transfers.

4.11. Volunteer program

4.11.1. The Executive Directorate is implementing a program to attract, select, and train BRICS Games volunteers. Up to 100 volunteers will be recruited, covering five positions across 13 functional areas. The volunteer program is being implemented in several stages. Following the launch of the information and application campaign, all volunteer candidates will be interviewed as part of the recruitment campaign. Once the volunteer team is assembled, they will undergo three stages of training: general orientation, functional training, and site-specific training.

4.11.2. In order to ensure the conditions for the volunteers' activities and maintain a high level of motivation, the Executive Directorate provides the following services: life and health insurance against accidents and injuries during the BRICS Games, provision of meals during work shifts, provision of sufficient drinking water, provision of free travel on public transport within the host city and transfer to remote sites, provision of special equipment (taking into account weather conditions), presentation of an official letter of gratitude for assistance in organizing the BRICS Games, implementation of a motivational program by presenting souvenirs with the BRICS Games symbols, developed specifically to encourage volunteers, provision of specially equipped premises for food and rest, volunteer headquarters on site or near the deployment of volunteers, organization of leisure activities for volunteers at volunteer headquarters, as well as a final motivational event with a summary of the results for volunteers at the conclusion of the BRICS Games.

4.11.3. Services for foreign volunteers: accommodation in Abu Dhabi, Republika Srpska, Turkey, meals outside of shifts at the places of stay (breakfast and dinner), hospitality program (meeting/seeing off, cultural program at the places of residence).

4.12. Equipment

4.12.1. The organizer provides equipment to the following client groups:

"Organizing Committee Staff,"

"Judges,"

"Volunteers,"

"Media";

"Main Operations Center Participant."

4.12.2. The organizer implements all logistics processes related to uniforms, as well as the effective functioning of the Uniform Distribution Center.

4.13. Awards

4.13.1. The Executive Directorate will ensure the production of award paraphernalia according to the design approved by the Organizer. In individual competitions, medals will be awarded to winners and runners-up; in team competitions, medals will be awarded to winning and runners-up teams as follows:

a) Third place: bronze medal;

b) Second place: silver medal;

c) First place: gold medal.

4.13.2. In team sports and team competitions, the winning and prize-winning teams are awarded cups for 1st, 2nd, and 3rd place, respectively.

4.13.3. Any other interpretation of these rules must be agreed upon by the Organizer.

4.13.4. In specific events, where required by the regulations of the relevant Federation, two (2) bronze medals will be awarded. Specific sports may award medals to athletes with two (2) identical results, as well as medals for participants in preliminary qualifying competitions. The detailed rules for this procedure must be consistent with the regulations of the relevant sports federation.

4.13.5. The official languages of the Award Ceremonies are English. The national anthem of the winning team/nationality is played during the award ceremonies, followed by the raising of the flags.

4.13.6. In addition to the main awards, other prizes and gifts may be awarded at the discretion of the sports federation in agreement with the Executive Directorate.

4.14. Cultural program and protocol

4.14.1. BRICS Games Opening Ceremony:

a) The venue for the BRICS Games Opening Ceremony will be determined by the Executive Directorate in consultation with the Organizer;

b) The format of the BRICS Games Opening Ceremony will be a theatrical performance reflecting the cultural diversity, history, and traditions of the peoples of the participating country and exploring the theme of friendship and unity among nations, with welcoming speeches by high-ranking guests;

c) The duration of the BRICS Games Opening Ceremony will be no less than 60 minutes;

d) The procedure for conducting the BRICS Games Opening Ceremony will be determined by the Executive Directorate in consultation with the Organizer.

4.14.2. Award Ceremonies:

a) Award ceremonies are held on the same day as the competition finals;

b) Awards and flowers are presented to the winners and runners-up of the current day's competitions in all sports.

4.14.3. The official languages of all ceremonies are English.

4.14.4. The protocol for the opening ceremony, awards ceremonies of the BRICS Games, as well as other possible ceremonies, will be determined by the Executive Directorate in agreement with the Organizer.

4.15. Excursion Program

BRICS Games participants and judges will be treated to a cultural tour of Abu Dhabi, Republika Srpska, and Turkey. The tour will last between 2.5 and 3 hours. The language of instruction will be English.

4.16. Radio, television and other broadcasting rights

4.16.1. The Executive Directorate determines the main broadcaster of the BRICS Games and approves the procedure for providing the television signal.

4.16.2. The main broadcaster of the BRICS Games ensures the formation of the international television and internet signal and the organization of its provision to broadcasting rights holders.

4.16.3. The following rights shall be the property of the Executive Directorate: the right to sell, transmit and reproduce all images and sounds during the BRICS Games, including all television rights and rights to broadcast by any means whatsoever (including traditional methods of transmission and by means of telecommunications satellite, cable, leased line synchronous transmission system, Internet or any other method of transmission), rights to shoot video and films and all rights to photograph or otherwise record the BRICS Games by any means whatsoever.

4.16.4. All original recordings are the property of the Executive Directorate.

4.16.5. All advertising appearing during television broadcasts or any other broadcast media must be pre-approved by the Executive Directorate. This includes, but is not limited to:

- advertising already existing at BRICS Games venues;
- advertising added specifically for the BRICS Games at BRICS Games venues;
- advertising "virtually" added via electronic insertion or other methods;
- advertising appearing as an overlay on the image and inserted by the production or finished product department of the television station.

All rights reserved for BRICS TV.

4.17. Protocol support

4.17.1. The Executive Directorate, together with the Organizer, sends invitations to representatives and distinguished guests to conferences and events within the framework of the BRICS Games.

4.17.2. The Executive Directorate ensures that ceremonial meetings are held for the event's distinguished guests at the arrival points in accordance with the pre-agreed guest list.

4.17.3. The Executive Directorate ensures the comfortable stay of high-ranking guests at the event as part of the BRICS Games.

4.17.4. The Executive Directorate provides protocol support for the event, including coordinating recreation areas for distinguished guests at the BRICS Games venues.

4.18. Administrative and economic activities and logistics

4.18.1. To organize and conduct live broadcasts of the BRICS Games, the Executive Directorate provides organizers and board heads with stationery, office supplies, and office equipment.

4.18.2. The Executive Directorate equips the BRICS Games venues with the necessary equipment and inventory, and furnishes the premises and areas.

4.18.3. The Executive Directorate organizes cargo transportation, loading and unloading operations, and the operation of warehouse facilities at each BRICS Games venue.

5. OTHER ASPECTS OF GAMES ORGANIZATION

5.1. Other sources of income

5.1.1. The Executive Directorate has the right to enter into the following agreements within the framework of its association with the BRICS Games:
a) financial sponsorship of the BRICS Games by commercial companies;
b) advertising permitted under these Regulations in all materials related to or associated with the BRICS Games, which may contain or depict anything eye-catching or advertising;
c) sale of rights to use the BRICS Games Symbols and all images, symbols, mascots, or emblems related to the BRICS Games.
5.1.2. Revenue from ticket sales and the right to association with the BRICS Games shall be the property of the Executive Directorate.
